# **YOU DRINK, YOU DRIVE, YOU LOSE.**

Enjoy your summer in New Hampshire!  
Try the many fine restaurants and bars  
in the seacoast area this Memorial Day  
weekend.

We will be running sobriety checkpoints  
and saturation patrols all summer long in  
order to protect our communities  
from drunk drivers.

But if you choose to drink – designate a  
driver, or we will provide one for you.

*A message from the Rockingham County Attorney and  
the Chiefs of Police.*

*Paid for by fines imposed on establishments that  
have over-served their customers.*
