WHAT IS VINE?

VICTIM INFORMATION AND NOTIFICATION EVERYDAY

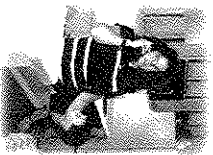

VINE is a free, anonymous, computer-based telephone program that provides victims of crime two important services: information and notification.

INFORMATION

For offender custody status information, call 1-800-542-9904 and follow the prompts. Callers use basic information to search the VINE database. VINE will quickly tell the caller if the offender is still in custody. Victims may call VINE from any touch-tone phone, any time, to check on the custody status of an offender.

NOTIFICATION

Callers may then choose to register for an automated notification call when an offender is released, transferred, or escapes. To register, callers simply enter the phone number, including area code, where they want to be reached. Callers will then be asked to enter a Personal Identification Number (PIN) for use during notification. The service will automatically call when the offender is released, transferred, or escapes.

ROCKINGHAM COUNTY VINE SERVICE - QUESTIONS AND ANSWERS

HOW DO I PARTICIPATE IN THE VINE PROGRAM?

To receive offender custody status information or to register for notification, you must call the VINE hotline directly from a touch-tone phone. You can also go to www.vinelink.com.

WHAT IS A PIN?

The PIN (Personal Identification Number) is a four-digit number that is used to stop notification calls from VINE. The PIN should be a number that is easy to remember. Entering a PIN is the only way to confirm and stop VINE notification calls.

WHAT IF I'M NOT AT HOME OR MY PHONE IS BUSY WHEN VINE CALLS?

The VINE service will keep trying to reach you. If there is no answer or the line is busy, VINE will continue to call every half hour for up to 48 hours. VINE will leave a message on an answering machine, but will continue to call every two hours for up to 48 hours. Since VINE calls automatically when an offender's custody status changes, notification calls may come in the middle of the night.

CAN I REGISTER MORE THAN ONE TELEPHONE NUMBER WITH VINE?

Yes. Your family, friends, and other concerned persons may also check on offender status and register for notification. Each registration is separate and requires a PIN.

DOES VINE GUARANTEE MY SAFETY?

The VINE program is designed to provide you with quick and easy access to offender information and to alert you when an offender's custody status changes. Do not depend solely on VINE or any other program for your safety.

WHICH OFFENDERS ARE COVERED BY THE VINE SERVICE?

Only offenders housed in the Rockingham County Department of Corrections will be included in the Rockingham County VINE service.
